## Public Speaking Grade 2

Here are the LAMDA knowledge requirements for grade 2 public speaking 😊

### Grade 2 public speaking:

The Learner will deliver a prepared speech about an object of their own choice from memory.

The speech must not exceed three minutes in length. Note cards may be used.

**Visual aids must be used and referred to.**

### Knowledge:

The learner will answer questions on the following:

- How was the speech prepared?

Give a detailed answer talking the examiner through all the steps from choosing your topic, brainstorming, writing a hook sentence, choosing a structure, practicing, editing, choosing a visual aid (if you're using one) and incorporating it, putting the speech onto cue cards and practicing some more.

- The learner will present the examiner with a choice of **two topics**. The Examiner will choose one of these topics and use it to initiate a conversation with the Learner. The Learner must ask questions to further the conversation

\*Other things to think about for grade 2. Your speech must not exceed three minutes in length. Note cards may be used. In grade 2 the learner **MUST** use a visual aid, and it must be referred to.
